

## **Western Canadian Coal Corp**

### **Cross Border Removal Instructions United Kingdom Register to Canadian Register (UK to CAN)**

#### **Shares represented by a physical share certificate:**

The shareholder completes a "Register Removal Request" form -United Kingdom Register to Canadian Register.

The share certificates plus the removal form must be forwarded to Computershare UK using the following address:

Computershare Investor Services PLC  
Attn: Global Transaction Unit  
PO Box 82  
The Pavilions  
Bridgwater Road  
Bristol  
BS99 7NH

If a Canadian share certificate is requested, on the removal form tick the box in section "C" stating you do not wish to dematerialize the shares into CDS. A Canadian share certificate will then be registered and mailed as per the name in address in section "B".

*Please Note: These instructions cover removals where no change of beneficial ownership is taking place. If change of beneficial ownership is requested, please refer to the section on the Computershare web site: Shareholder Services; frequently asked questions. <https://www-us.computershare.com/Investor/FAQs.asp>*

#### **Shares held in CREST**

The UK Custodian/Broker/CREST participant completes Computershare's xSettle UK to Canada form (for more information on xSettle please contact Computershare) detailing the CDS Deposit Reference ID. This is a reference number that is generated after the Canadian Custodian/Broker/CDS Participant keys the CDS Deposit. The CDS Deposit should be keyed with the following information:

- Window location "other" should be selected.
- In the memo field state "UK to CAN movement – no certificates required"
  - o The Canadian Custodians/Brokers Firm Name, Contact Name and Contact Phone Number.
  - o *Please note the stock must be withdrawn by way of a Crest Stock Withdrawal, initiated by the UK Custodian/Broker/Crest Participant.*

Queries in regards to the above and about xSettle can be emailed to:
